

Modell:

JAEGER

SG 99
SG 99 II

Motorized H-H Mount

Operation Voltage DC 36 V
Via Satellite Positioner
Extremely low noise
compact and powerful silent

- Easy to upgrade fixed pole-mount to motorization system
- "Quick Track" design
- Easy installation
- Weather proof and rust protection
- Backlash eliminated

Technical Data

Recommend Dish	max. 100cm
DC Motor	36 V
Azimuth Angle	180°
Elevation Angle	0° ~ 90°
Speed	5° / sec
Sensor	Reed Switch
Resolution (pulses / degree)	5,48
Limit Switches	Double Sides Adjustable
Finish	Powder Coating
